During this season, we take time to reflect upon the good things we have... like our partnership with you. We appreciate working with you and hope that the holidays and the coming year will bring you joy and success.

On behalf of all our customers, KPIT has made a donation to Mouse, a national youth development nonprofit that believes in technology as a force for good. Mouse wants to empower all students to create with technology to solve real problems and make meaningful change in our world.

This resonates with us at KPIT and we thought it would with you too.
