

# mouse\_

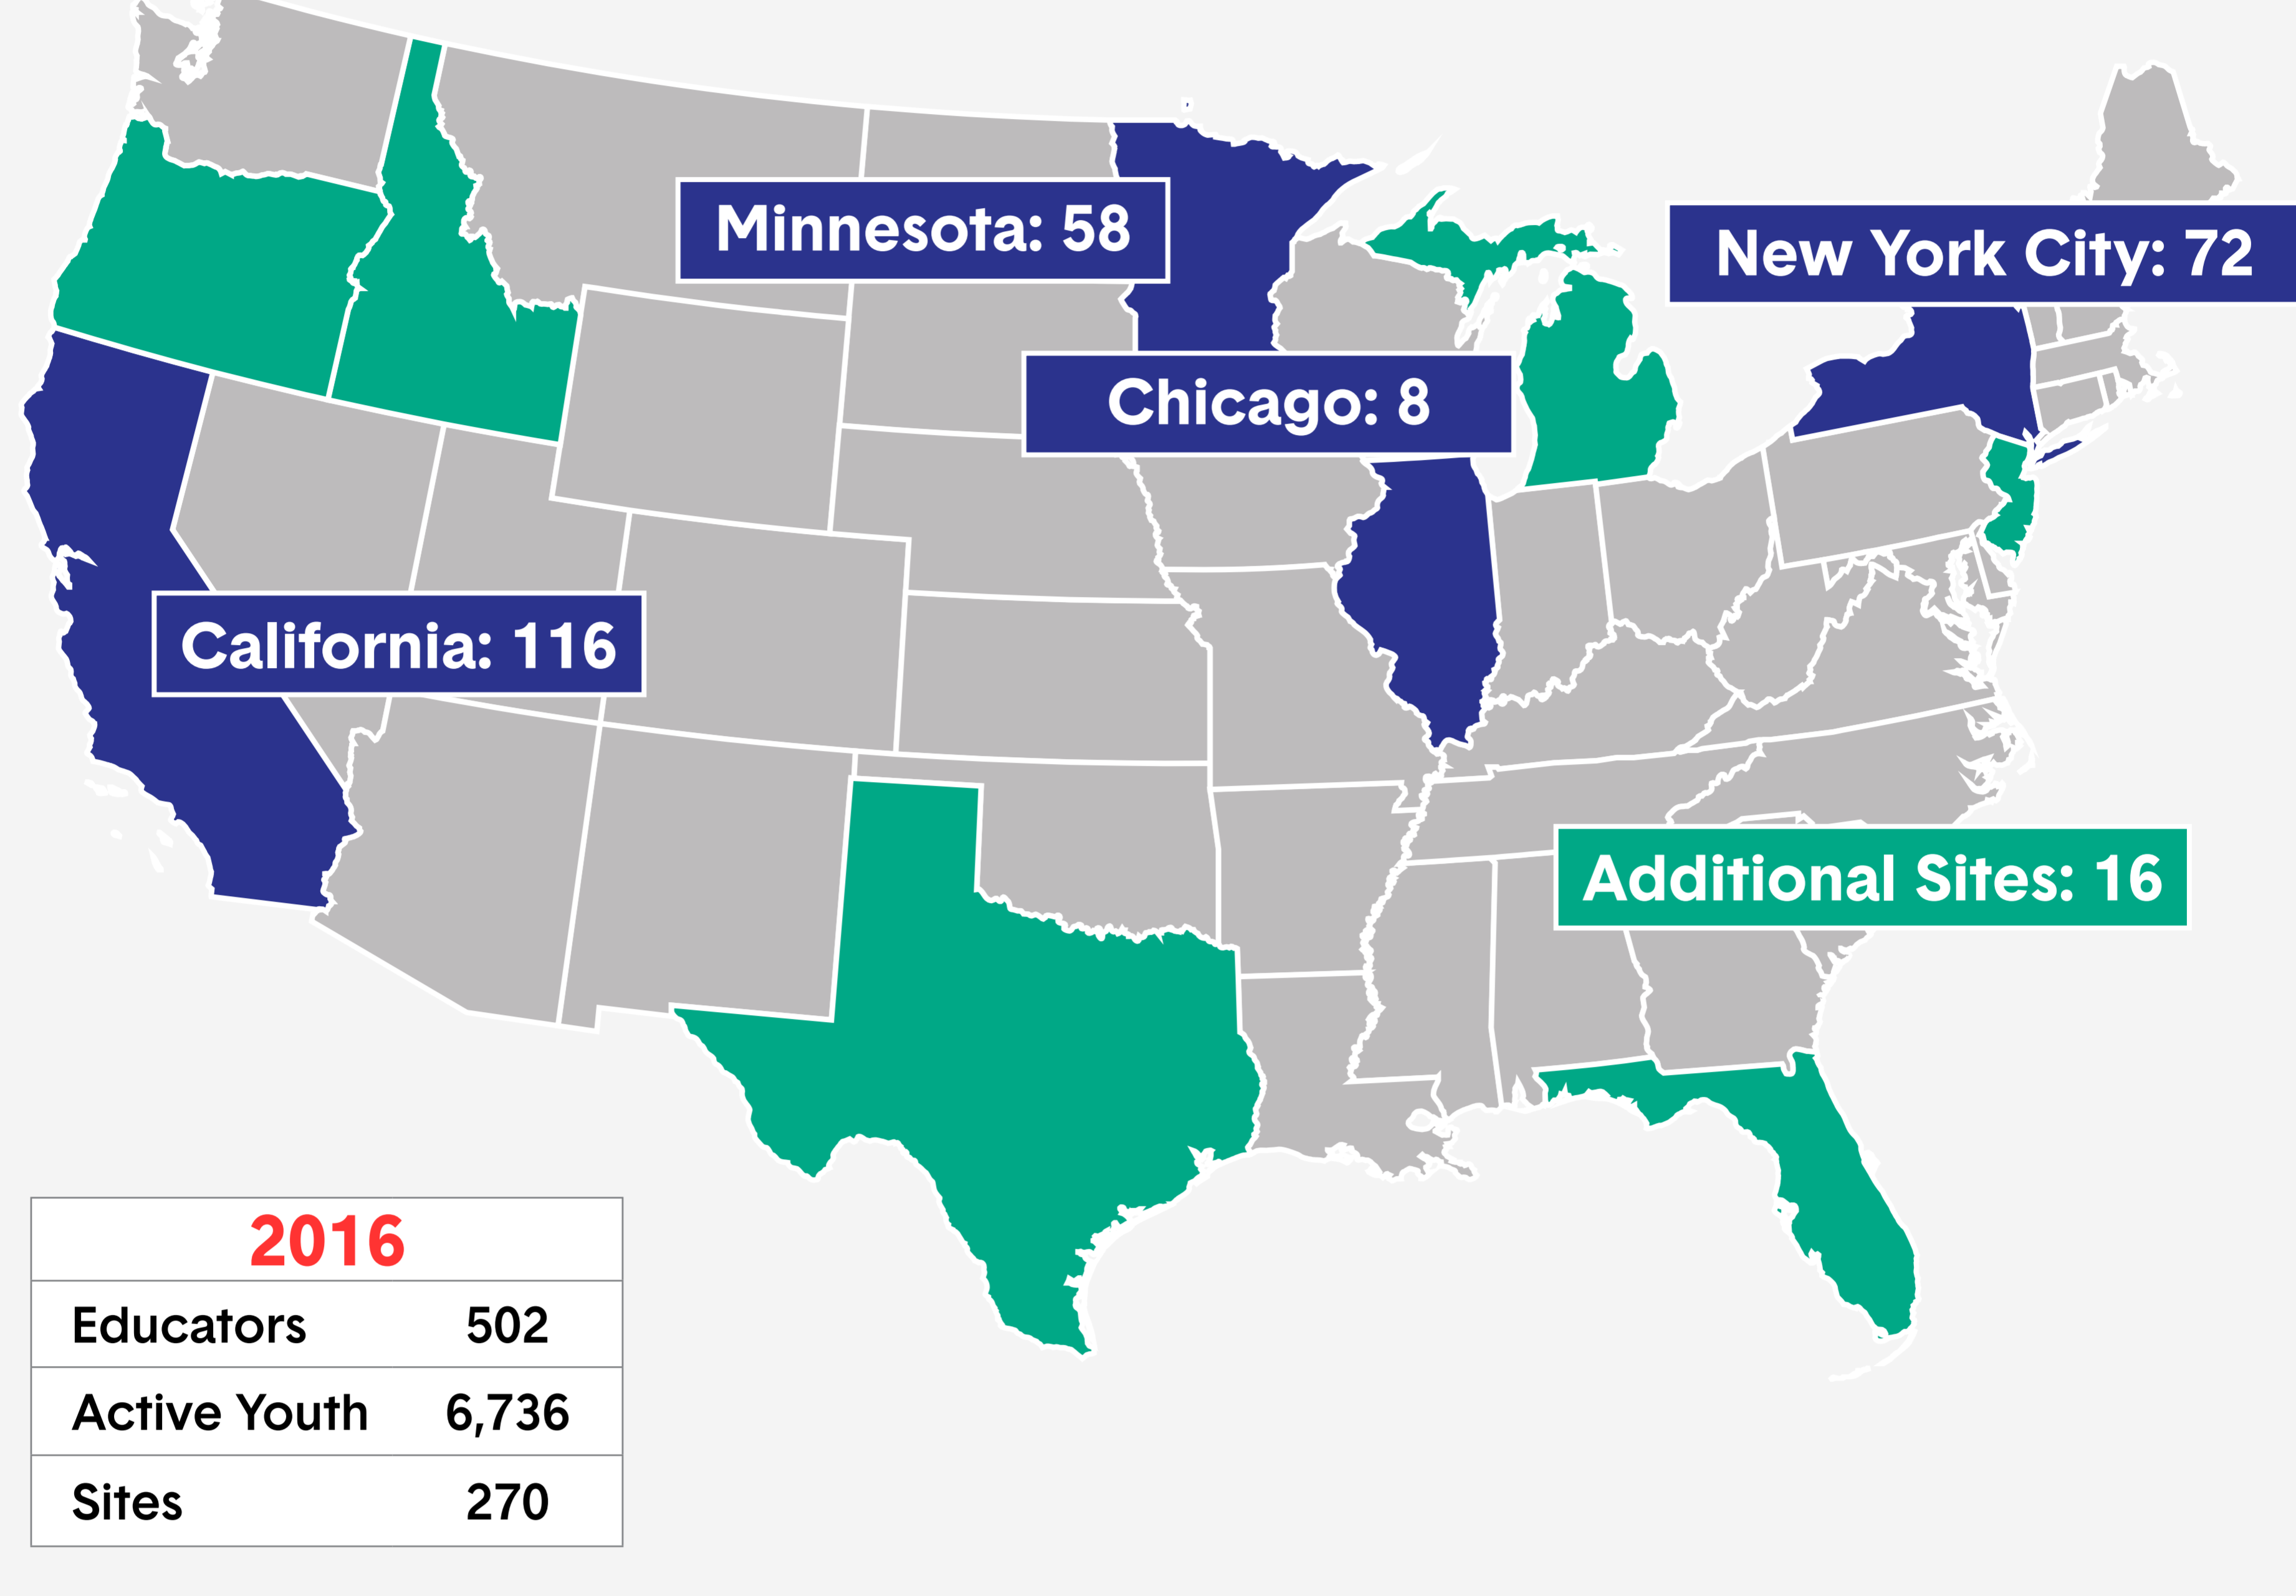

Mouse is a national youth development nonprofit that believes in technology as a force for good. We empower all youth to create with technology to solve real problems and make meaningful change in our world.

## 20 Years of Empowering Youth

Nearly 40,000 youth have been actively involved in Mouse.

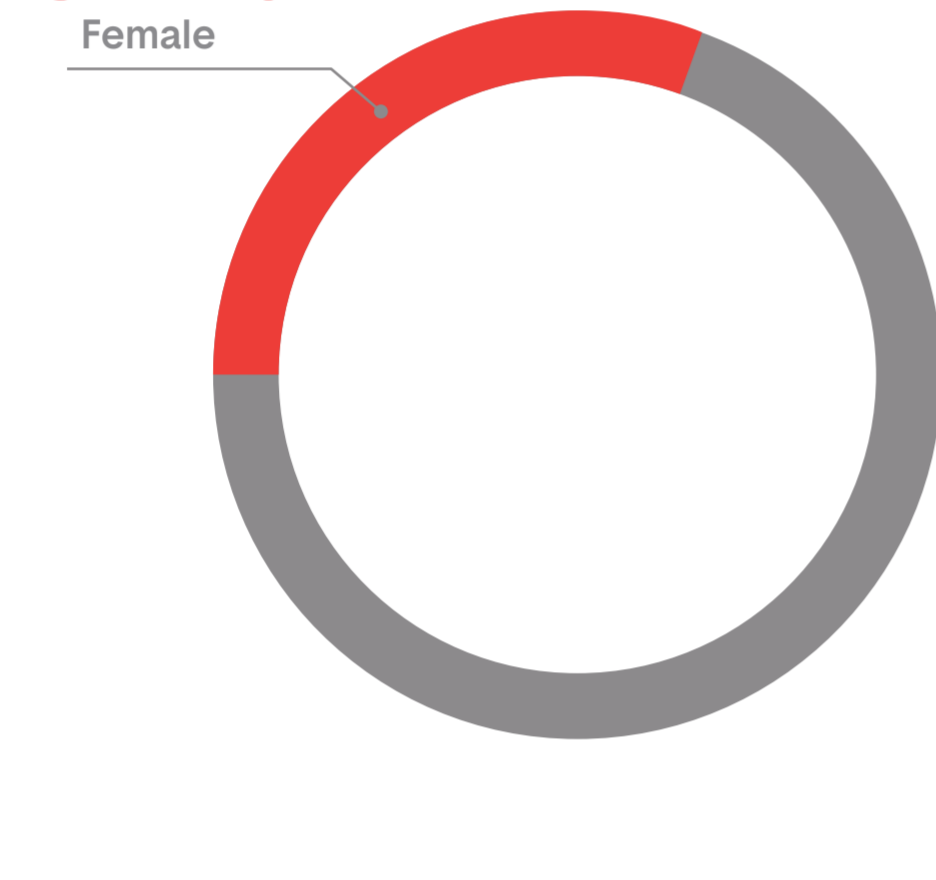

## National Presence

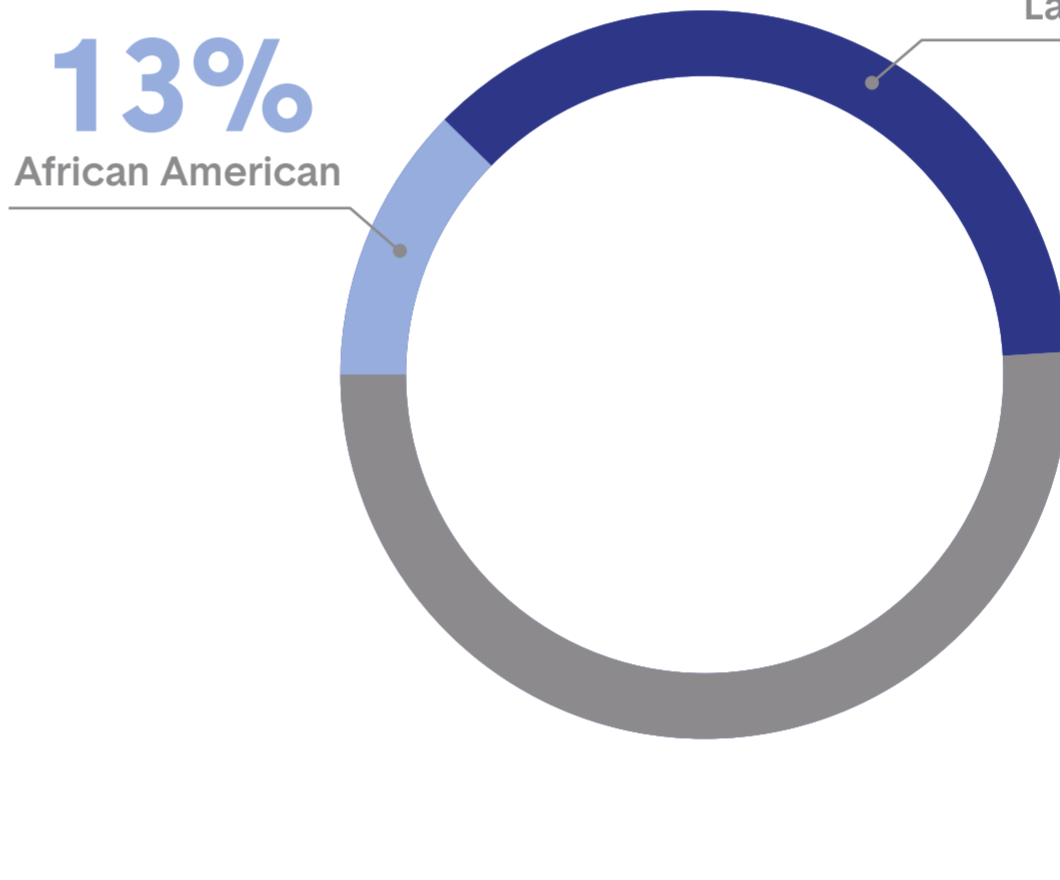

## Making a Positive Impact

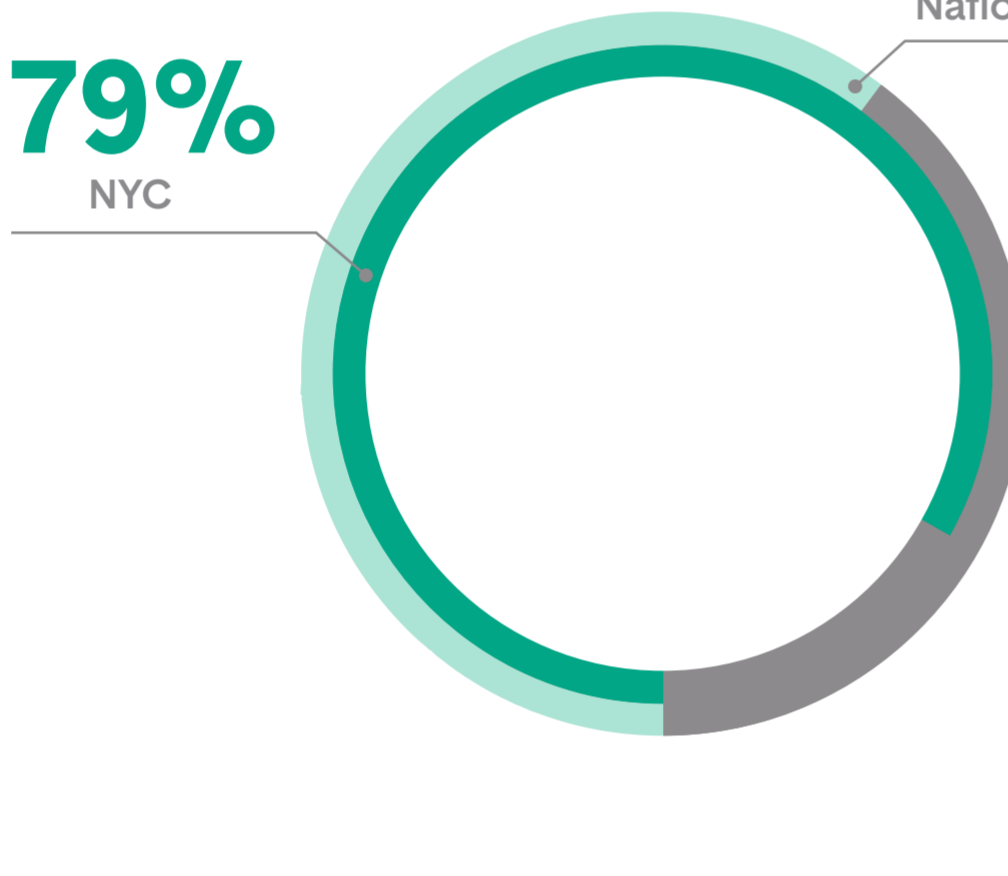

Mouse is committed to creating more diversity in STEM and opening opportunities for youth from underserved communities across the country.

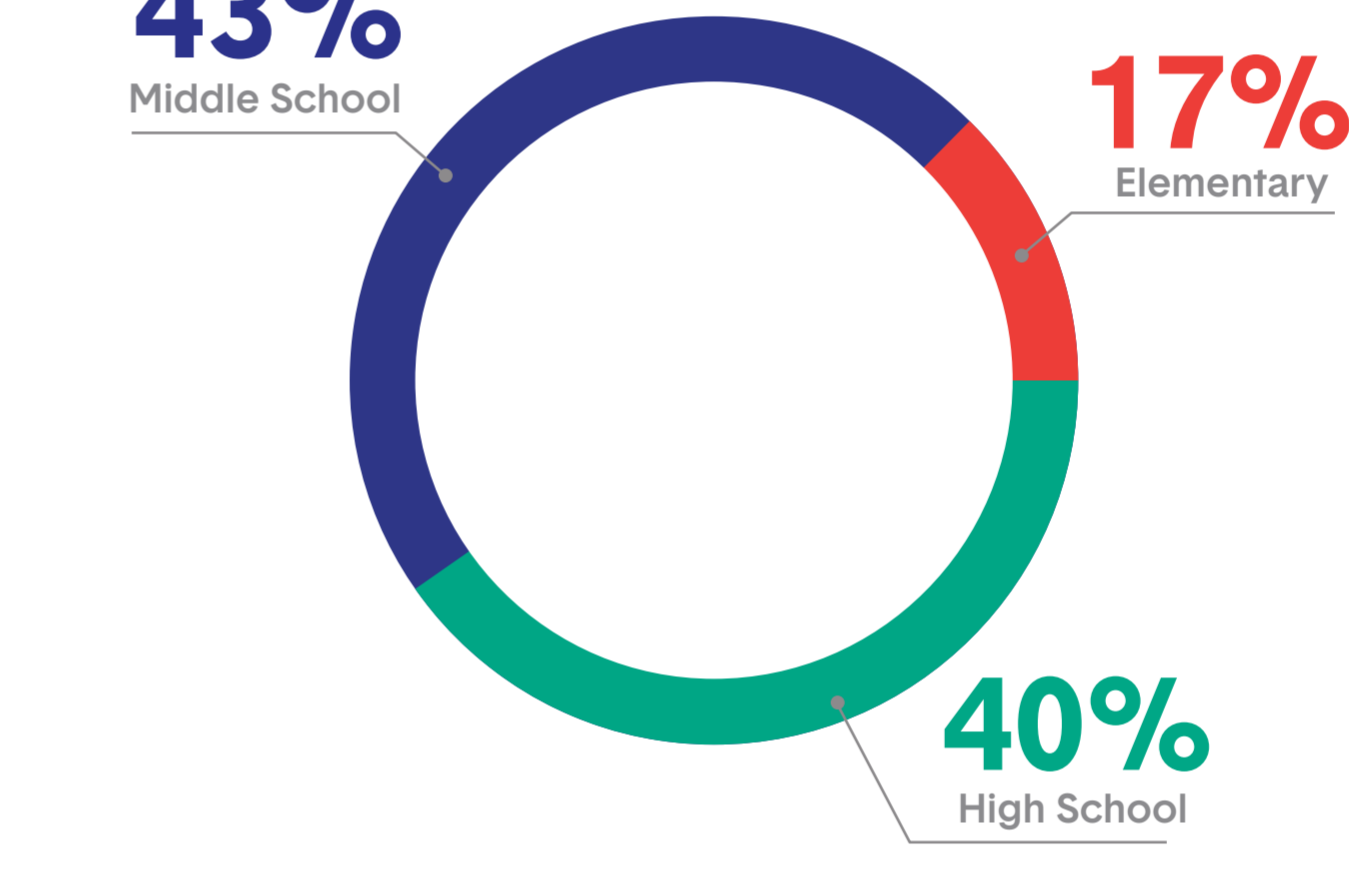

37% of Mouse youth are female.

48% of Mouse youth are African American or Latino.

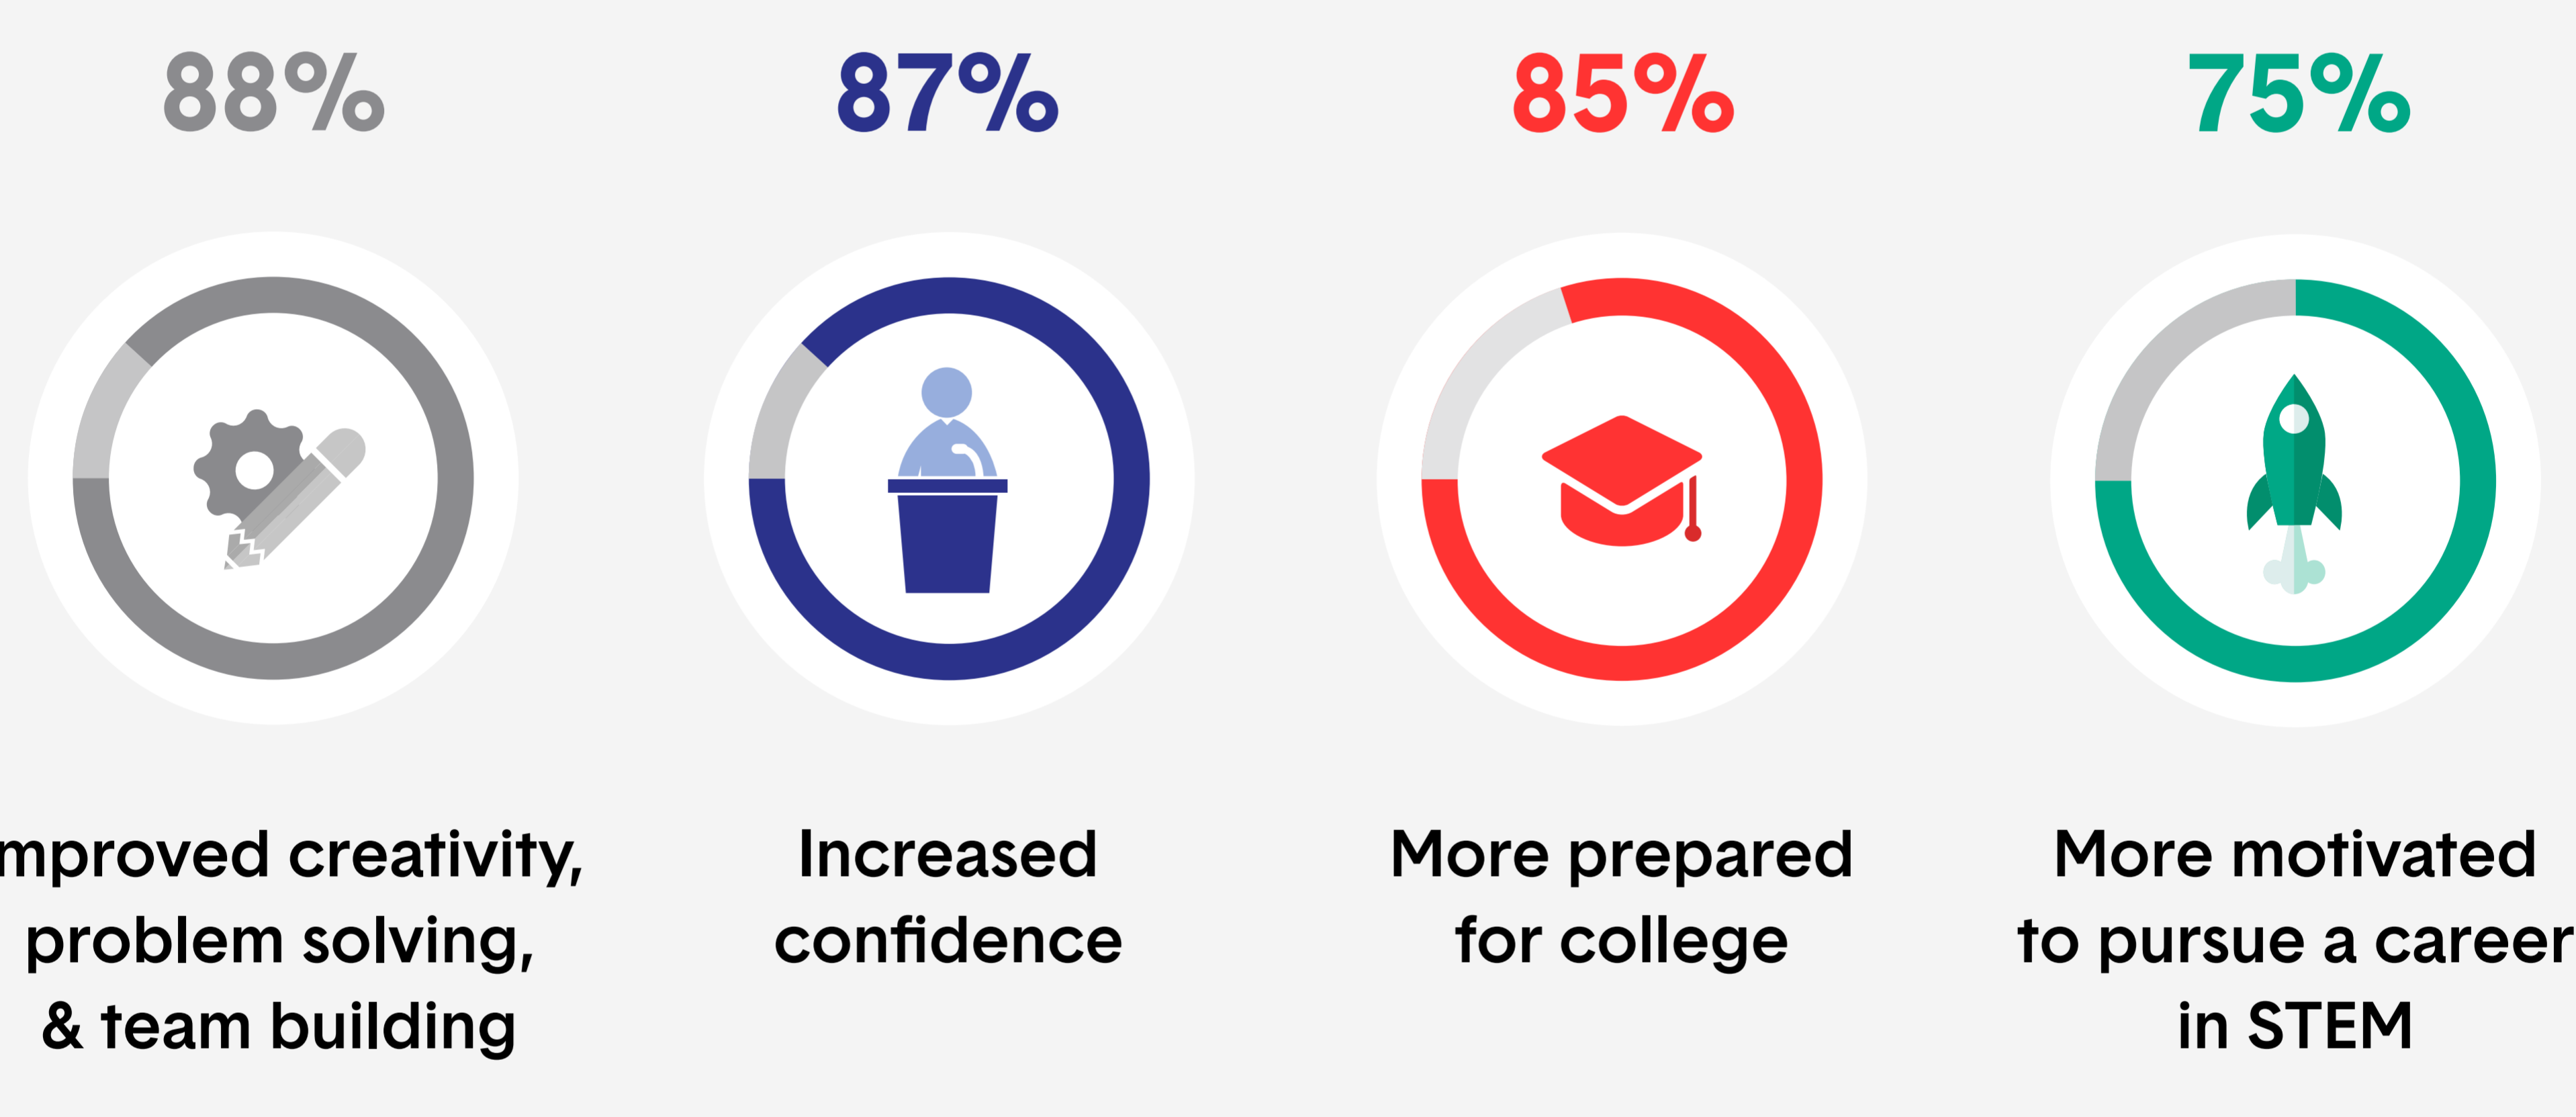

56% (National) and 79% (NYC) of youth at Mouse sites are eligible for free & reduced price lunch.

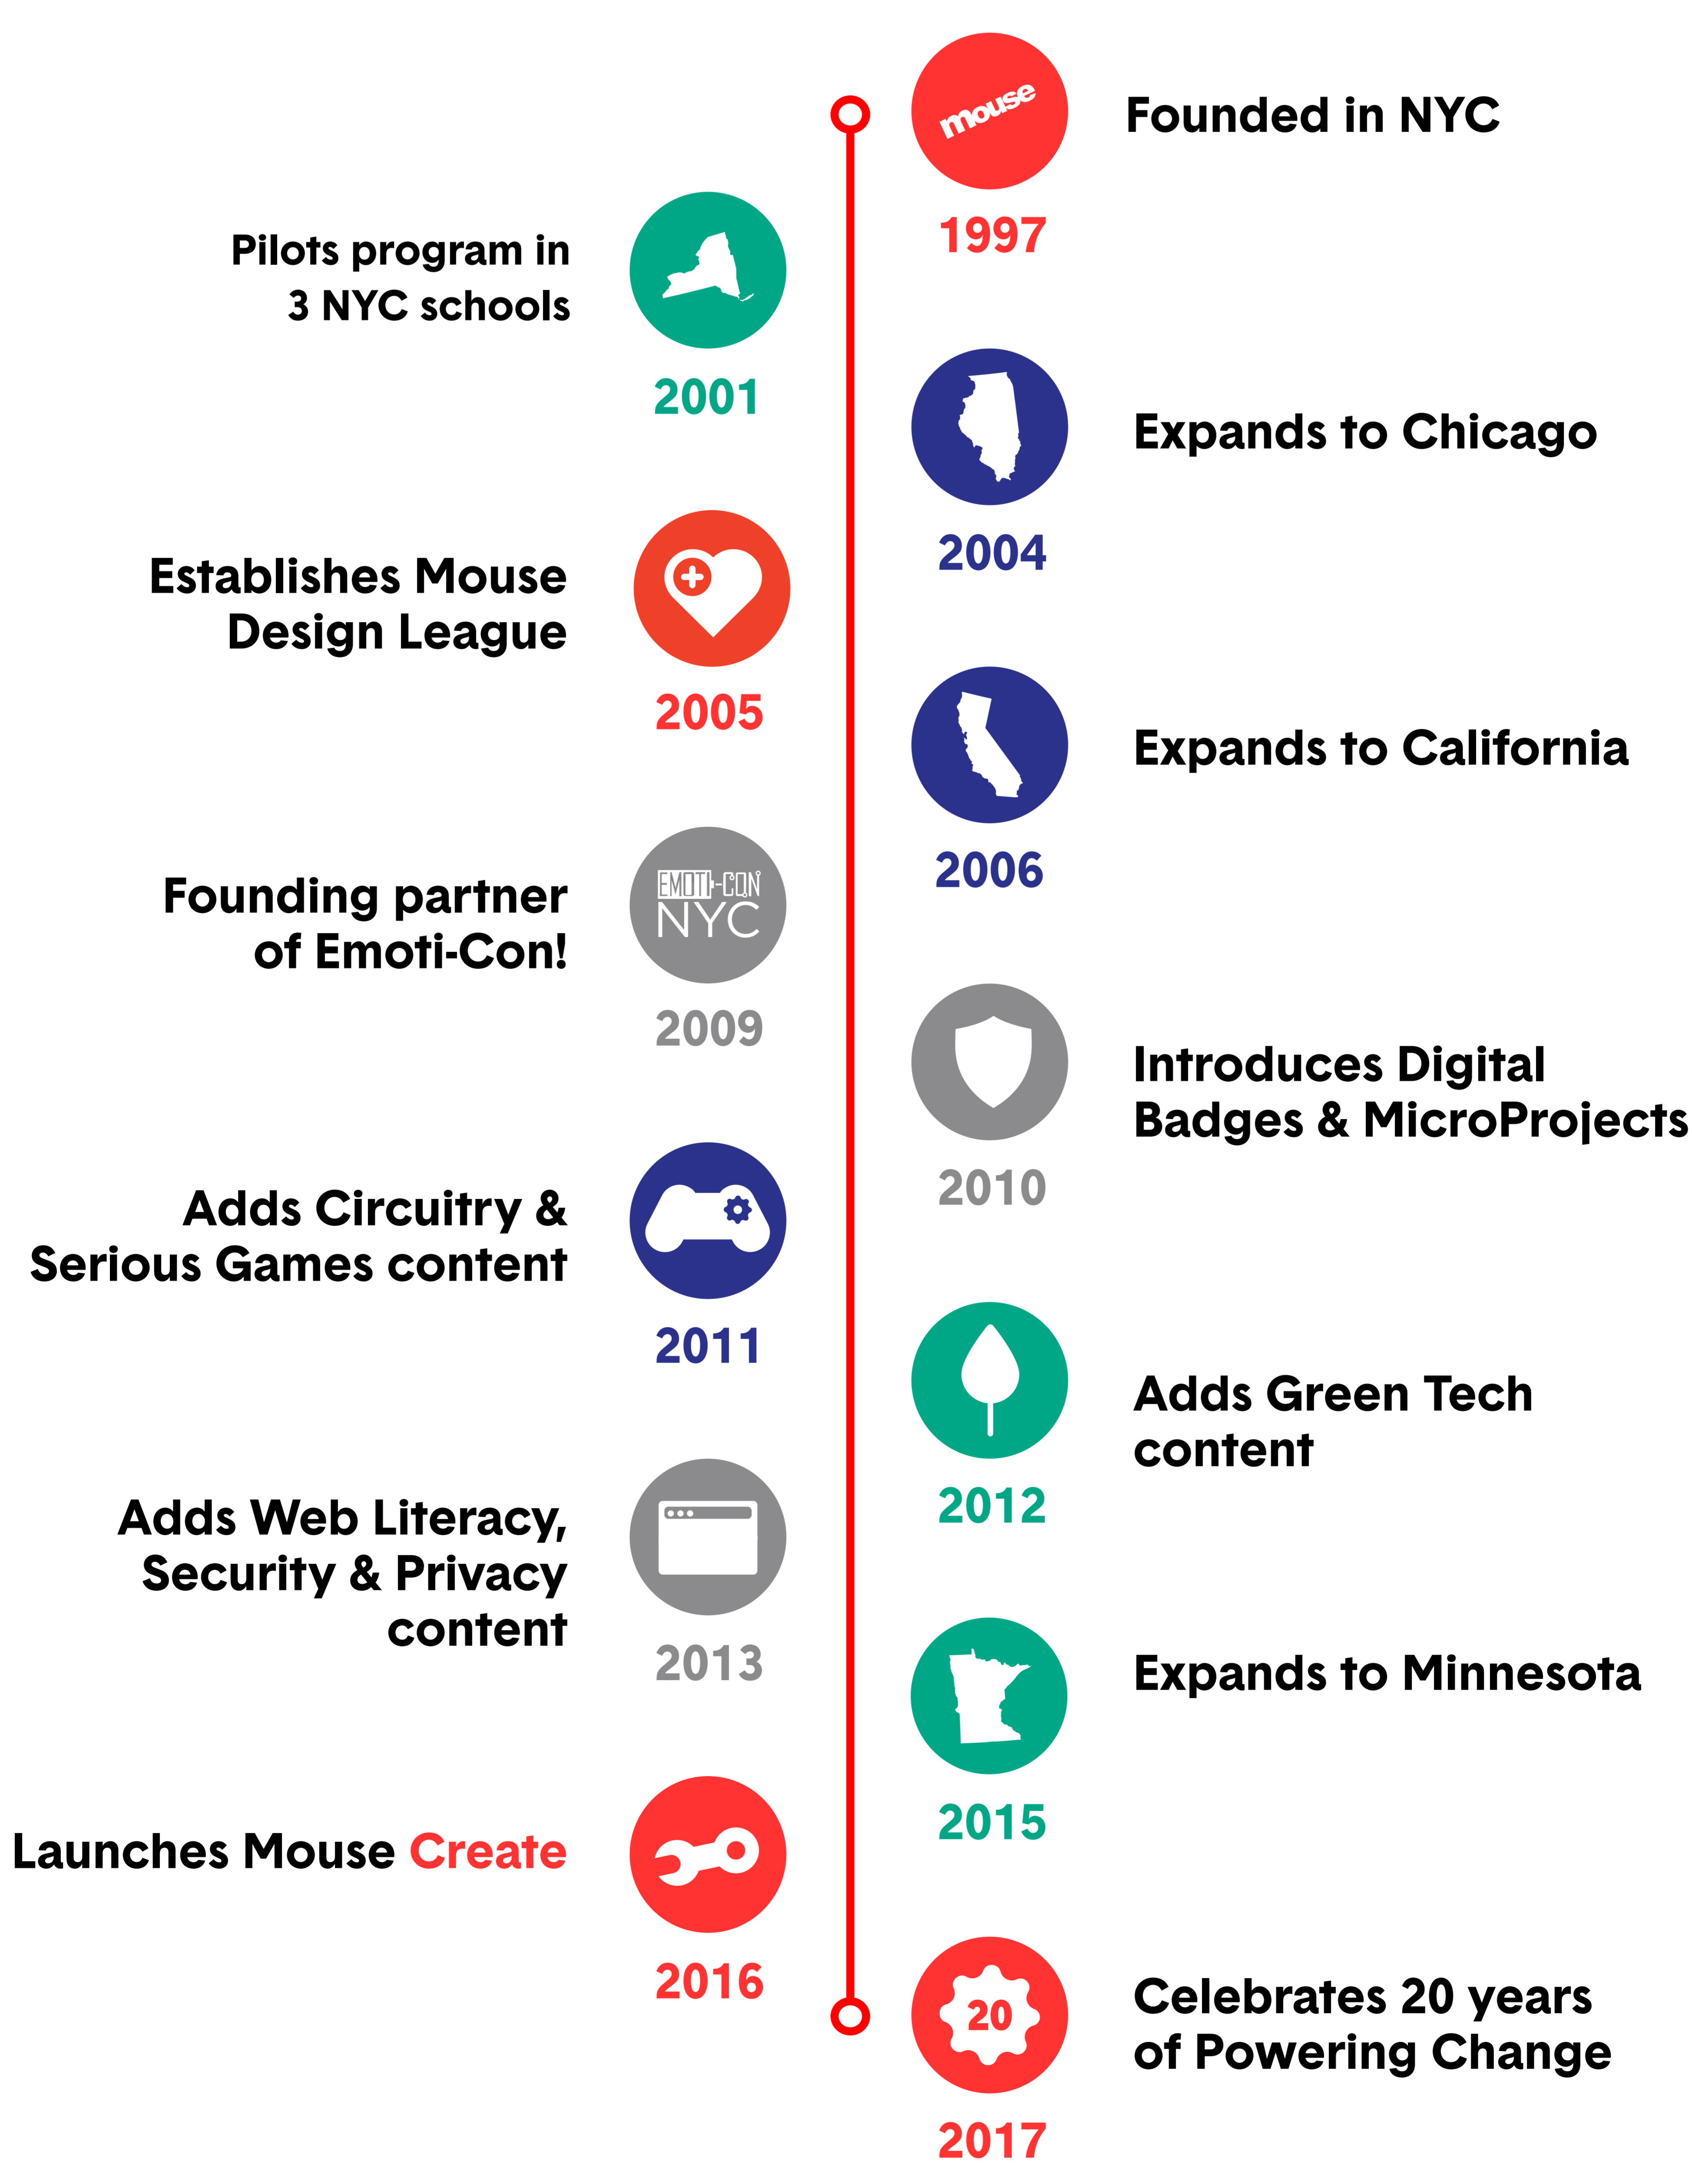

Mouse youth represent elementary, middle and high school.

## As a Result of Mouse, Youth report:

## The Power of 20

Mouse is celebrating 20 years of empowering youth to use technology as a force for good.

“ Mouse gives you a sense of accomplishment and purpose. It gives you a sense of self like you’re somebody important and you’re making something that is going to help people and impact someone’s life. —Winston, Mouse Alum ”
