Mouse is a national youth development nonprofit that believes in technology as a force for good. We empower all youth to create with technology to solve real problems and make meaningful change in our world.

More than 47,000 youth have been involved in Mouse.

Making a Positive Impact

Mouse is committed to creating more diversity in STEM and opening opportunities for youth from underserved communities across the country.

As a Result of Mouse, Youth report:
- Increased creativity
- Improved problem-solving skills
- Improved communication, leadership, and team building skills
- More motivated to pursue a career in STEM

56% (National) and 72% (NYC) of youth at Mouse sites are eligible for free & reduced price lunch.

39% of Mouse youth are female.

44% of Mouse youth are African American or Latino/a.

Mouse youth represent elementary, middle and high school.

The Power of 20

Mouse is celebrating 20 years of empowering youth to use technology as a force for good.

20 Years of Empowering Youth

More than 47,000 youth have been involved in Mouse.
